

Apprentice & Journeymen Training Trust Fund Of the Southern California Plumbing & Piping Industry

Cell Phone Policy

Cell phone and other portable devices are very disruptive to Instructors and other students and must be turned off during all class hours. This includes trips to the restrooms and other areas within the Training Center. Cell phone cannot be used as calculators during class time.

Students may only use their cell phone during scheduled breaks or for an emergency and must turn off all devices before entering the classroom.

Anyone having his/her cell phone on will be marked absent for the day!
